TRAINING TABLE CABLE MANAGEMENT ENCLOSURE

AMERICAN MADE

60"
Cable Management
Enclosure

Table Sold Separately

The Training Table Cable Management Enclosure encases and hides the surface and modesty panel cable entrance points, providing a clean and polished look for your Advanced Classroom Training Table. This enclosure also provides a cable lock point for computer security devices to be secured to, protecting community or public equipment. Multiple knockouts provide easy cable routing down to the CPU or from desk to desk. The included fan pattern allows you to install an optional fan kit, providing additional airflow which is especially helpful when heat generating equipment is housed inside.

- Installation hardware included
- Black powder coated steel
- Made in the USA
- Limited Lifetime Warranty

FEATURES

Secure Enclosure - The lockable enclosure manages and hides cables while providing a space to house electrical or network devices.

Fan Pattern - The included fan pattern allows for easy installation of a fan kit, providing additional airflow.

Various Sizes - Four sizes are available to accommodate either your 36", 48", 60", or 72" Advanced Classroom Training Table.
