

Low Profile 2 Position/1RU Secured Distribution Module

CM 708-05-0024 (as shown)

Applications:

Designed for either overhead or under raised access floors. Low profile design maximizes all usable space. Internal design accepts two 1 RU connectivity solutions, or can be designed for specific customer requirements. The cover comes standard with a secure locking lid.

Features:

- ◆ Room for two 24-port patch panels or any other two 1 RU 19" mounting solution
- ◆ Secured cover
- ◆ Built in wire management
- ◆ Standard 2 1/2" depth, can be customized
- ◆ Eight edge protected openings for easy cable routing or can be built with standard knockouts
- ◆ Constructed from 16 GA galvanized steel with customer specified powder coat finish available
- ◆ Completely customizable internal mounting structures

Dimensions as Shown

Length	Width	Depth
21 1/4"	21 1/4"	2 1/2"
