50% FILL AS PER NEC ARTICLE 392.9B 0.25" OD

FINISHES: PRE-GALVANIZED (G), STAINLESS STEEL (SS), POWDERED COATED (PC), HOT DIPPED GALVANIZED (HDG)

The 501 Series Wall Snake® is the perfect solution for long linear installations where space is at a premium. The 501 Series trays are hand bendable and designed to allow the tray to be directly attached to a wall without brackets using integrated mounting rings located along the center spine of the tray. These mounting rings eliminate the need for additional brackets or hanging hardware to complete the installation.

For drawings of specific models, additional sizes or accessories please call us at 800.308.6788

Snake Tray® products are covered by one or more of the following patents: #6637704, #6637165, #6463704, #6460812, #6449912, #6361000, #6347493, #6019323, #6347493, #6449912, #6460812, #5953870, #5839702, #6926236, #7168212, #7959019.
